## Opella reprices its two Term Loan B facilities.

**Paris, May 26<sup>th</sup>, 2026** – Opella announces the successful repricing of its two 1st Lien Term Loan B facilities, totaling approximately €4.97 billion equivalent.

The USD-denominated tranche, originally \$3,781 million, has been decreased by \$81 million, bringing the total to \$3,700 million, and has been repriced with a 50-basis point reduction in margin. At the same time, the EUR-denominated tranche, originally €1,707 million, has been increased by €73 million, bringing the total to €1,780 million, and also benefited from a 50-basis point margin reduction. Citi and BNP Paribas acted as Global Coordinators for the USD and EUR tranches, respectively.

The repricing is leverage neutral and does not involve any other material changes to the terms and conditions of the facilities. The transaction is expected to generate approximately €24 million in annual interest savings.

This transaction reflects continued strong investor demand and confidence in Opella's credit profile.
